

Wholesale Policies

Thanks so much for your interest in carrying my paper sewing patterns, kits and my Hardware Kits. Doing business with my company is pretty straightforward. Here's how it works:

How to Pay

- Orders are processed 3 times per week, 4 if you are lucky or ask nicely.
- We have a minimum order policy of 12 patterns, kits or hardware. Mix and match to suit your mood.
- Initial orders must be pre-paid using your credit card. We can process either Visa or MasterCard. The order will be processed at the same time your card is billed.
- You can choose to pay subsequent orders using your credit card or I can bill you net 30 days.
- I'm not into consignment sales so there's no point in asking. I'll be happy to sort things out with you if you have defective product.

Shipping and Handling on US and Canadian orders.

- I like shipping with Canada Post because their office is 5 minutes away. I'm adept at finding the most economical surface post rate for you. You'll be billed at this rate.
- If you happen to have cut a deal with another carrier and would like me to ship with them send me your account number. Your wish is my command.
- In a hurry, let me know ahead of time so I can get your order to you post haste.
- Your order will arrive within 5 to 10 business days if not sooner. Keep in mind I am in Canada and our holidays do not always jive with yours. If in doubt order a day early.
- We do not have the Priority Flat Box Rate here in Canada. The Post Office is pretty fair though. Charges are based on the size of your box, weight and distance travelled.
- If you require an estimate for shipping contact me at:

My Privacy Policy

- I totally respect your privacy and will not release your information to any other party no matter how much they beg. Any information we ask you for is used to process your order and to communicate with you!

Questions?

- I love questions! Send me a line and I'll get back to you ASAP.
