Southwest Quilt Crawl

Explore, Learn, Quilt!

Quilters and sewists, grab your bags and grab your friends! Get ready to embark on a unique and exciting journey through the beautiful countryside of Ontario as you take part in the Southwest Quilt Crawl.

From Monday June 17 to Saturday June 29, quilting enthusiasts will have the chance to explore 6 of the most unique quilting shops from London to Tilbury. You'll delight in discovering exciting shops fully stocked, some you've never visited before! This is not just any ordinary quilting road trip; the Southwest Quilt Crawl is dedicated to helping you discover new and exciting locations while also teaching you new skills and techniques in quilting and sewing.

What makes this event even more special is the chance to collect free fabrics and directions to make a 6" x 9" block from each of the participating shops. But instead of making a quilt from the various blocks you collect, each shop will use their quilt block in a different way using a fun technique, giving you inspiration and ideas on how to create something unique and personal when you get home.

In addition to all the fun and learning, the Southwest Quilt Crawl also offers the opportunity to win amazing prizes! With 6 x \$100 prizes, 6 x \$50 prizes, and 6 x \$25 prizes up for grabs, nearly everyone will have a chance to win a lovely gift. To be eligible for the prizes, participants must bring their passport to the participating shops.

Visit the dedicated Facebook page of the "**Southwest Quilt Crawl**" to find out all about the participating shops, rules for winning prizes and to print out your own map and passport.

This is the perfect way to enjoy a road trip, meet new friends, discover new shops and expand your quilting and sewing skills. So, gather your quilting squad this June and join the Southwest Quilt Crawl for a journey of a lifetime!
