

## Free Motion Ruler Work Class with Kelley Richardson

### Class Requirements:

Free Motion ruler set (High or low shank depending on your machine (beginner sets are available at the ABQ Sewing Studio) If you are unsure of which your machine is read our [blog](#).

Free Motion ruler foot (high or low shank depending on your machine)  
Sewing Machine in good working order (please bring your foot control)  
90/14 top stitch or quilting machine needles  
Extension table for your machine  
Sew Slip sheet  
Quilting gloves  
22 inch square quilt sandwich for practice  
erasable marking pen (Frixion or water soluble)

### Project Requirements:

60" 100% cotton tone on tone or solid fabric  
60" x 22" 100% cotton batting  
1/3 m fabric for binding  
Thread for quilting (match or contrast to your fabric. I used sulky 30 weight thread in the sample, king tut is an excellent choice also or Mettler 100% cotton)

Prior to the class please have your practice quilt sandwich basted and ready for use and your table runner fabric basted and ready for use. \*\*\*If you pin baste, the pins get in the way of the rulers, therefore I strongly suggest you either thread baste or spray baste your quilt with 505 Spray.

Due to allergies please refrain from wearing any perfume on the day of class

Ruler sets, Baby Lock Ruler feet, needles, Sew Slip Sheets, quilting gloves, Frixion pens, thread and more are available at the ABQ Sewing Studio, 77 Thomas St., Strathroy 519-914-0523.
